UKRAINE PEACE DEAL?

In this month, barely a day has gone by that Ukraine and the war ravaging the beautiful country has not been in the news! PURIM CELEBRATIONS

Long time ago, there was a king and a queen...and an evil Haman! But God orchestrated so that the orphan-become-queen won the right of self-defense to all the Jews in the empire! Today, only in Israel are Jews able to self-defend themselves as a nation and people! The story in the book of Esther takes place in what is now Iran. Today, there is a Jewish community in exile in Iran. They have their own schools, synagogues and even a member of Parliament, but life is not easy for the Iranian Jews. It is incredibly difficult for those who wish to, to repatriate in Israel. In line with Jeremiah 31:10, please pray that the Lord will remember the scattered ones in Iran and make a way for them to be gathered back to Israel!

"If you stay silent at a time like this, help and prosperity will come to the Jews from somewhere else; but you and your family will surely be wiped out for good!"

- Pray for wisdom for all the leaders involved in brokering a lasting peace deal.
- Pray for justice to be upheld and not forgotten, for God to interfere with any plans that will not bring justice.
- Pray for our teams on the ground, for strength, hope, perseverance, even joy!
- Pray for more Jews being reached and ready to go; pray in particular that men who have been prevented going due to war that they may go as soon as possible.

Israel: Please continue to pray for Israel as the fragile peace has been interrupted and the first phase of the peace deal has come to an end. Pray for lasting peace, justice, including returning of hostages, and wisdom for leaders involved.
