EZRA PRAYER GROUPS

If there was a prayer group in your area whose aim is to pray for the Jewish people to be regathered in Israel, in response to biblical prophecies of end times, would you want to be part of one? Did you know there are a few such prayer groups in the UK? If there isn't one in your area, could you consider starting one? Here's how it can be done...

'REMNANT WILL RETURN'

In November, Pat, CEO of Ezra International, was invited to speak at the Sh'ar Yasuv Messianic Congregation in Edinburgh. The congregation takes its name from the son of the Prophet Isaiah which means 'Remnant will Return' (Isaiah 7:3).

A TALE OF TAILS

If you had to move to another country, would you leave your dogs (or other pets) behind? Most likely not! A Ukrainian Jewish couple wanted to make Aliyah but they had four German Shepherds they valued greatly. These dogs were not ordinary dogs but highly intelligent, trained and famous rescue dogs! They had helped find people under the rubble after another shelling of Kyiv. As there are no flights from Ukraine, the family had to cross the border to Moldova before their flight to Israel – two countries with necessary documents, permits, as well as arrangement for overnight stay! No hotels wanted to accommodate the dogs! Ezra assisted the family at every step of the way and our supporters prayed – and now the family and their dogs are in Israel, helping rescue Israelis in the future!

B'NEI MENASHE TO ISRAEL!

Last year, we reported of a group of Jews in Northern India, called B'nei Menashe (Children of Manasseh), who were being relocated in Israel. Although as an organisation we have not been involved with this group of Jews, we have supported other organisations who are. This month we heard that Israel has agreed to bring the whole of the B'nei Menashe community to Israel by 2030! This is great news and another confirmation that God will not leave any behind as prophesied by Ezekiel 39:28 "Then they will know that I am the Lord, their God, because, having sent them into exile among the nations, I will gather them to their own land, not leaving any behind."

There are many Prayer for Israel prayer groups around the country that anyone can join in, however, not all of them will focus on praying for Aliyah in particular.

In Scotland, there are a few groups that will pray for Aliyah in particular, one in East Kilbride, near Glasgow, and another near Perth, which Pat visited this month. Contact info@ezrauk.org for more information!

How to start a Prayer Group

- Contact us to tell you would want to start one, with a suggestion for a place and date and we will support you in the endeavour!
- Think of who you know who might be interested in joining you in praying – even one or two other people are enough to start a group!
- Consider if your church's leadership would welcome to know about the group and let others in the church know about it – could it be part of your church's wider ministry?

Ukraine

Let's continue to pray for the war ravaged country, that peace might be brokered, in these very difficult circumstances, for the sake of the many suffering and dying. At the same time, let us continue to pray that the Jews in Ukraine would hear the Great Shofar and make their way to Israel and not hesitate like the wife of Lot did!

Valuing Your Birthright

As well as giving an overview of Ezra's work worldwide, Pat was talking to the congregation about the difference between Jacob and Esau, Jacob who valued his birthright and desired the blessings from God and Esau who despised the spiritual blessings and preferred the earthly blessings. The covenant of Abraham continued with the younger son, Jacob, who later was called 'Israel' by God Himself. We pray that our Jewish friends will value their birthright and look to fulfil their calling in bringing themselves and their children to the land of Israel, the land of Jacob, their ancestor, at these last days.
